

Council Agenda

AGENDA FOR THE RECONVENED SPECIAL MEETING OF THE WESTLAND DISTRICT COUNCIL, TO BE HELD IN THE COUNCIL CHAMBERS, 36 WELD STREET, HOKITIKA ON TUESDAY 30 JUNE 2009 COMMENCING AT 8.00 AM

1. MEMBERS PRESENT & APOLOGIES.

Apology:

Councillor A. Payn.

2. CONSIDERATION OF SUBMISSIONS TO THE 2009/2019 DRAFT LONG TERM COUNCIL COMMUNITY PLAN.

A report to Council from the Chief Executive Officer is attached.

REPORT TO COUNCIL

DATE: 29 June 2009
TO: Mayor and Councillors
FROM: Chief Executive Officer

A. KEY ISSUES

1. Swimming Pools

- a) Request upgrade of Hokitika changing rooms - 3 submissions received
- b) Request provision for disabled access - 2 submissions received
- c) Support MDI funding of pool upgrade - 1 submission received

Recommendation: Commit to discussions with key user groups over the next 12 months.

2. Parks and Reserves

- a) Requesting provision of playground in Franz Josef - 1 submission received

Recommendation: That Council work with the Franz Josef Community to establish a sports field on the south bank of the Waiho River, and make provision for \$50,000 from the reserves contribution account.

3. Land and buildings

- a) Support for Fox Glacier Community Centre - 96 submissions received

Recommendation: That Council commit up to \$1M of MDI funding for the Fox Glacier Community Centre, and explore over the next 12 months how Council can contribute a further \$1M towards the project, noting possible funding sources are land sales, reserves contribution account, and loans financed by the local community.

4. Animal Control

- a) Opposing removal of SOP and increase in fees - 10 submissions received

Recommendation: That Council either:

- i) *Confirm the fees as notified, noting that Westland's fees are in the lower half of national fees; or*
- ii) *That given the concern at high fees, and dissatisfaction with the levels of service, that Council set the dog registration fees at 50% of the proposed fees. Further, signal a major change to the adopted policy on dogs to be implemented over the next 3 months, including the removal of the dog ranger service by 31st December 2009.*

- b) Request enhanced working relationship with SPCA - 2 submissions received

Recommendation: That Council confirm its desire to work with the SPCA to provide contracted pound keeping services.

- c) Request ceasing dog ranger duties - 1 submission received

Recommendation: Note recommendation above.

5. Transportation

- a) Oppose current projects for seal extension - 8 submissions received

Recommendation: That Council request staff to review the existing policy, and current priority order.

- b) Support current projects for seal extension - 3 submissions received

Recommendation: Support noted.

- c) Support opening of Haast-Hollyford Road - 21 submissions received

- d) Oppose opening of Haast-Hollyford Road - 1 submission received

Recommendation: That Council confirm its support for the proposed road, and commit \$100,000 from R-funding to upgrade the existing formed road to the Cascade.

6. Water Supply

- a) Oppose Council's position on 1080 in drinking water catchments - 6 submissions received
- b) Support Council's position on 1080 in drinking water catchments - 9 submissions received

Recommendation: That Council reconfirm its position on 1080 in water catchments, noting that Council will work with the AHB and DOC on mutually acceptable buffer zones.

7. Waste Management

- a) Concern about fee increases - 3 submissions received

Recommendation: That Council note that the high cost of waste management is also of concern to Council, and that Council will be reviewing its options over the next 12 months.

8. Governance

- a) Opposed to rate increase (Revell Street)- 6 submissions received

Recommendation: That Council notes the effects of increase in land values on beach front properties, and review the current policy on rates remission on properties adversely affected by revaluations.

- b) Opposed to rate increase (Harihari) - 2 submissions received

Recommendation: That Council notes that the increase is a result of 1) treated water, 2) targeted waste management rates, and 3) the phasing out of small settlements from the rural townships category.

- c) Opposed to rate increase (Rural) - 1 submission received

Recommendation: That Council notes the principle reason for rural rates increase is the significant change in rural land values.

- d) Opposed to rate increase (Residential) - 1 submission received

Recommendation: That Council notes the principle reason for Hokitika rates increase is the targeted rates increase.

B. OTHER ISSUES

9. Library

- a) Oppose mobile library service - 4 submissions received

Recommendation: That Council notes the support for the existing library services, and remove the provision for funding a mobile bus.

- b) Support for new library - 3 submissions received

Recommendation: Support Noted.

- c) Question reason for new library - 1 submission received

Recommendation: That Council notes the support for the new library, and the continuing growth in usage.

- d) Request youth reference group - 1 submission received

Recommendation: That Council notes the provision of youth facilities in the new library, and continue to explore the establishment of a youth Council.

10. Safer Community Council

- a) Raise awareness of injury prevention - 1 submission received

Recommendation: That Council notes the submission, and take no further action.

- b) Supporting Safer Community Council - 1 submission received

Recommendation: Support noted.

- c) Supporting youth programmes - 1 submission received

Recommendation: Support noted.

11. Cemeteries

- a) Noting no work undertaken at Okarito - 1 submission received

Recommendation: That Council notes that while it is a Council asset, small rural cemeteries are maintained by local communities. Note that Council has undertaken weed control work on the Okarito Spit Cemetery.

- b) Oppose increase in fees – 2 submissions received

Recommendation: That Council confirm the proposed cemetery fees, as they are consistent with other Councils, and in accordance with Council's funding policy.

12. Elderly Housing

- a) Support continuation of elderly housing - 2 submissions received

Recommendation: Support noted.

13. Swimming Pools

- a) Requesting Ross pool be rated same way as Hokitika – 2 submissions received

Recommendation: That Council notes that the Ross pool is funded on the same basis as Hokitika pool.

- b) Noting absence of pool in Franz Josef – 1 submission received

Recommendation: That Council notes that it is unlikely in the near future that funding will be provided for a public swimming pool in Franz Josef.

- c) Requesting learn to swim programmes – 1 submission received

Recommendation: That Council notes that this program is already provided at the Hokitika Pool by the pool manager.

14. Community Funding

- a) Requesting continuation of funding for Tourism West Coast – 1 submission received

Recommendation: That Council confirms its commitment to fund Tourism West Coast.

- b) Requesting continuation of funding for Life Education Trust – 1 submission received

Recommendation: That Council notes that Life Education Trust is eligible for funding from Council's discretionary funding pool.

- c) Requesting Council lobby for increased travel funding for sport – 3 submissions received

Recommendation: That Council supports the request for increased central government funding for travel for sport.

- d) Support for community patrol – 1 submission received

Recommendation: Support noted.

- e) Requesting funding for Haast Airline community plaque – 1 submission received

Recommendation: That Council notes that funding for the plaque is eligible from Council's discretionary funding pool.

- f) Requesting funding for new immigrants – 1 submission received

Recommendation: That Council commits \$5,000 from Council's discretionary funding pool.

- g) Request replacement of mural on building in Hokitika (ex Regent Theatre) – 1 submission received

Recommendation: That Council consult with Enterprise Hokitika for their views on this proposal.

- h) Support retention of community halls - 1 submission received

Recommendation: Support noted.

- i) Support Regent Theatre MDI project – 1 submission received

Recommendation: Support noted.

- j) Request breastfeeding friendly facilities in public buildings – 2 submissions received

Recommendation: That Council note their support for this initiative where it can be practically implemented.

- k) Questioning funding sources for Harihari community facility – 2 submissions received

Recommendation: That Council clarify the proposed funding sources for the Harihari community facility.

- l) Requesting greenbelt on Seaview cliffs – 1 submission received

Recommendation: That this proposal be referred to Council's Planning and Regulatory Committee for investigation.

- m) Requesting removal of road reserve status on beach end of Tudor Street -1 submission received.

Recommendation: That Council notes that there is still public interest in leaving this as road reserve.

- n) Requesting development of astroturf playfield – 1 submission received

Recommendation: That Council invites the Hokitika Hockey Club to submit a fully funded proposal for consideration by Council.

- o) Requesting upgrade of park in Whataroa – 1 submission received

Recommendation: That Council discuss this proposal with the Whataroa Community Association as part of the consultation on levels of service in rural towns.

- p) Requesting additional boat ramps, Lake Kaniere – 1 submission received

Recommendation: That Council make provision for up to \$10,000 from the reserves contribution account for a double boat ramp at Lake Kaniere.

- q) Enhanced walking and cycling strategy – 1 submission received

Recommendation: That Council notes its support for the national cycleway project, and will utilise Land Transport funding where possible to enhance walking and cycling opportunities.

- r) Request toilets at Cass Square - 1 submission received

Recommendation: That Council notes that there is provision for new toilets at Cass Square in 2014/15.

- s) Request playground in Fox Glacier – 1 submission received

Recommendation: That Council discuss this proposal with the Fox Glacier Community as part of the consultation on levels of service in rural towns.

- t) Request all parks and reserves be smoke free – 2 submissions received.

Recommendation:

15. Land and buildings

- a) Request inclusion of Bruce Bay Hall extension- 1 submission received

Recommendation: That Council note its support for the Bruce Bay Hall extension in the LTCCP.

- b) Request purchase of derelict buildings in Kumara – 1 submission received

Recommendation: That Council discuss with the Kumara community the possibility of using Kumara endowment land sale proceeds to fund elderly housing units on selected sections in Kumara.

16. Westland Business Unit

- a) Concern at relocation of I-Site – 1 submission received

Recommendation: That Council note the advantages of the relocation are a higher visibility site, and utilisation of the space vacated by the relocated library.

- b) Concern at intent of Westland Business Unit – 1 submission received

Recommendation: That Council notes that establishment of the Business Unit followed a transparent process, including public consultation as part of the 2008/09 Annual Plan.

17. Resource Management

- a) Requesting more control of noises in rural area – 1 submission received

Recommendation: That Council notes that the District Plan is satisfactory for this purpose.

- b) Requesting Council use of NZ Archaeological Assn, and support for heritage and cultural -1 submission received

Recommendation: That this proposal be referred to Council's Planning & Regulatory Committee for investigation.

- c) SNA's to be included in community outcomes - 1 submission received

Recommendation: That Council notes that the current wording of the community outcomes is sufficient to meet this request.

- d) Request review of mobile shop licence fees – 1 submission received

Recommendation: That the proposed fees be confirmed but the Planning and Regulatory Committee be requested to review discretionary categories.

18. Building & Compliance

- a) Requesting instalment payment option for consents - 1 submission received

Recommendation: That Council decline this request, noting that the consent fees are generally a small component of total project costs.

- b) Concern at noise levels from Westland Milk Products – 1 submission received

Recommendation: That the submitter be advised that noise monitoring demonstrates compliance.

- c) Request review of fees and charges – 2 submissions received

Recommendation: That Council notes that the fees were reviewed as part of the LTCCP review process, and that in Council's view are reasonable.

- d) Concern at efficiency of building dept – 1 submission received

Recommendation: That Council notes that additional staff has been provided to assist in this departments efficiency.

- e) Requesting recognition of need to review sale of liquor act – 1 submission received

Recommendation: That Council notes the submission, and take no further action.

- f) Request Alcohol strategy be a priority – 1 submission received
- g) Commend Alcohol strategy – 1 submission received

Recommendation: That Council notes the intention to update the existing strategy.

- h) Request plans include impact on historic buildings – 1 submission received

Recommendation: That Council notes the submission, and take no further action.

- i) Request maintain and enhance levels of service for emergencies – 1 submission received

Recommendation: That Council notes that the Council emergency responses are continuously being enhanced.

19. Transportation

- a) Requesting fencing on Cook Flat Road - 1 submission received
- b) Requesting car park in Fox Glacier - 2 submissions received

Recommendation: That Council discuss these proposals with the Fox Glacier Community as part of the consultation on levels of service in rural towns.

- c) Requesting upgrade of Gibson Quay – 1 submission received
- d) Request Railway Terrace upgraded to road – 1 submission received
- e) Requesting additional Footpaths maintenance - 1 submission received
- f) Suggestions on signage around Hokitika – 1 submission received
- g) Requesting adding footpaths and cycle ways when upgrading roads – 1 submission received
- h) Support Hau Hau Road widening – provision made for pedestrians & cyclists – 1 submission received
- i) Request for angle parking in Hokitika to be widened, new street signs & more parking
- j) Request to open up Stafford Street between Fitzherbert Street and Sewell Street – 1 submission received
- k) Strongly support expenditure on walking and cycling facilities, safety crossing over Fitzherbert Street – 1 submission received

Recommendation: That Council refer these requests to the Assets Committee for consideration.

- l) Request for maintenance on drain on Main Road (Ross) – 1 submission received

Recommendation: That this request be referred to management for action.

- m) Request for speed humps on Revell Street – 1 submission received

Recommendation: That Council notes that the issue of speed reduction in Revell Street is currently being investigated.

- n) Support Sewell Street improvement - Support Councils effort towards cycleways & walkways – 1 submission received

Recommendation: Support noted.

- o) Request develop carparks outside Hokitika Cheese and Deli for outdoor seating – 1 submission received

Recommendation: That Council refers the matter to the Assets Committee for consideration.

- p) Request work to be carried out in Okarito – 1 submission received

Recommendation: That Council discuss this proposal with the Okarito Community as part of the consultation on levels of service in rural towns.

- q) Request extension of Cook Flat Road footpath - 1 submission received

Recommendation: That Council discuss this proposal with the Fox Glacier Community as part of the consultation on levels of service in rural towns.

- r) Request that Council identify importance of cycleways, various cycleways being investigated – 2 submissions received

Recommendation: That Council notes the establishment of a Trust to develop cycleways.

- s) Requesting stronger advocacy for higher financial assistance for local roads – 1 submission received

Recommendation: That Council notes it already strongly advocates for maximum government assistance.

20. Water Supply

a) Request that all drinking water supplies meet drinking water standards – 2 submissions received

b) Complaining at condition of water – 1 submission received

Recommendation: That Council note that Council has programmed the treatment of all Council water supplies.

c) Complaining at high water rates – 2 submissions received

Recommendation: That Council notes that the higher water rates are a result of the ongoing treatment program.

d) Questioning scrapping of Ross scheme – 1 submission received

Recommendation: That Council notes that the proposed Ross Sewerage Scheme has not been scrapped, but its viability is subject to obtaining 90% subsidy from the Crown.

e) Request that Hokitika ponds be desludged in winter – 1 submission received

Recommendation: That Council refer this suggestion to the Manager Operations for consideration.

f) Support a sewerage scheme in Kumara – 1 submission received

Recommendation: Support noted.

g) Include provision for joint ocean outfall, Hokitika – 1 submission received

h) Opposing any provision for joint ocean outfall, Hokitika – 1 submission received

Recommendation: That Council include recognition of the option of a joint ocean outfall in the LTCCP.

i) Plan for continued attention to non-performing septic tanks – 1 submission received

Recommendation: That Council refer this suggestion to the Manager Planning & Regulatory for consideration .

21. Stormwater

- a) Requesting drainage improvements in Okarito – 1 submission received

Recommendation: That Council discuss this proposal with the Okarito Community as part of the consultation on levels of service in rural towns.

- b) Requesting drainage work at top end of Hampden Street – 1 submission received

Recommendation: That Council refer this request to the Assets Committee for consideration.

- c) Request annual rate for Hokitika Beach erosion - 1 submission received

Recommendation: That Council notes that there already is a fund set aside for this purpose, which is funded by Hokitika ratepayers.

22. Waste Management

- a) Oppose going to high temperature incineration in our region- 2 submissions received

Recommendation: That Council notes that it will be exploring all options for cost effective waste disposal.

- b) Complaining re waste management fees and charges – 1 submission received

Recommendation: That Council note that the high cost of waste management is also of concern to Council, and that Council will be reviewing its options over the next 12 months.

- c) Complaining that Ross get fortnightly collection and Hokitika weekly collection and both pay same rates – 1 submission received

Recommendation: That Council notes that Kumara, Ross and Hokitika all receive the same refuse and recycling service, apart from Hokitika which has a glass collection provided free by the contractor.

- d) Complaint about present system in Harihari – 1 submission received

- e) Complaint at Hokitika refuse site contractors performance – 1 submission received

- f) Complaint regarding amount of waste on Council roads, should be cleaned up – 1 submission received

Recommendation: That Council refer the complaints to the Waste Management Committee for consideration.

- g) Concern for going back to landfills, review more sustainable methods of waste control – 1 submission received
h) Council consider small landfills, composting and change in fees – 1 submission received
i) Oppose charges for green waste - 1 submission received

Recommendation: That Council note that the high cost of waste management is also of concern to Council, and that Council will be reviewing its options over the next 12 months.

- j) Request weekly refuse collection - 1 submission received

Recommendation: That Council notes that the current fortnightly collection is proving satisfactory, and is assisting in encouraging recycling.

- k) Support Council continuing effort on waste management – 1 submission received

Recommendation: Support noted.

- l) Supporting waste trailer at Jacksons – 1 submission received

Recommendation: Support noted.

23. Public Toilets

- a) Request for more toilets – 1 submission received

Recommendation: That Council notes that there is provision for new toilets at Cass Square in 2014/15.

- b) Support Councils provision of toilets – 4 submissions received

Recommendation: Support noted.

- c) Complaint about design of beach front toilets – 1 submission received

Recommendation: That Council notes that the toilets have just received a design award.

24. Community Township Development

- a) Requesting white backing on Hokitika entrance signs – 1 submission received
- b) Requesting less signage in Northern Ward – 1 submission received

Recommendation: That Council notes the comments.

- c) Oppose to "Take a Seat" – 1 submission received

Recommendation: That Council confirm its support for the "take-a-seat" project.

- d) Support for Hokitika walkways and beautification projects – 6 submission received.

Recommendation: Support noted.

- e) Concern at accountability for Kumara Endowment land – 1 submission received

Recommendation: That Council note that it will discuss the use of the proceeds from the sale of Kumara endowment land with the Kumara community.

- f) Fox Community Issues – 1 submission received

Street lighting
Threshold signs
School safety
Information boards
Chain fence
Parking - rugby fields
Footpaths
Rugby field
Carpark - reseal & remarking
Free camping
Picnic tables
Community development - officer roles
Swimming pool
Maintenance issues

Recommendation: That Council refers the maintenance issues to management for action, and the other issues be discussed with the Fox Community as part of the reviews of levels of service consultation.

25. Governance

- a) Support switch to capital value rating – 1 submission received.

Recommendation: Support noted.

- b) Supports land based rating – 1 submission noted

Recommendation: Support noted.

- c) Request review of targeted rating - 1 submission received

Recommendation: That Council notes its intention to review methods of rating during 2009/10.

- d) Support shift to targeted rates – 2 submissions received

Recommendation: Support noted.

- e) Questioning rating of property in Barn Bay – 1 submission received

Recommendation: That Council notes that the rates on this type of property do not include any charges for services.

- f) Opposed to proposed review of method of rating – 2 submissions received

Recommendation: That Council notes its intention to review methods of rating during 2009/10.

- g) Requesting changes to polices – 1 submission received

Recommendation: That Council notes the comments, and confirms the existing policies.

- h) Opposed to any increase in current economic climate – 1 submission received

Recommendation: That Council notes that without the proposed rates increases, infrastructure improvements would not occur.

- i) Questioning uncompleted projects – 1 submission received

Recommendation: That Council notes that funding is held for the uncompleted projects.

- j) Requesting projects be prioritised - 1 submission received

Recommendation: That Council notes that the LTCCP process does in fact prioritise projects.

- k) Opposed to Unitary Councils – 1 submission received

- l) Support Unitary Councils – 2 submissions received

Recommendation: That Council notes the comments.

- m) Complaints about plan presentation – 1 submission received

Recommendation: That Council notes the comments.

- n) Concern at safety of citizens in Westland - 1 submission received

Recommendation: That Council notes the comments.

- o) Restrict rate increase to inflation, and maximise use of UAC's – 1 submission received

Recommendation: That Council notes that over the life of the LTCCP, rates will average inflation, and that Council does maximise the use of Uniform Annual Charges.

- p) Support for Youth Council - 2 submissions received

Recommendation: That Council continue to explore the establishment of a youth council.

- q) Concern at large increase in targeted rates – 1 submission received

Recommendation: That Council note that the increases are required to ensure each activity is funded appropriately.

- r) Suggest change of name of Hokitika to Hokitika Beach – 1 submission received

Recommendation:

- s) Request review of level of service in Okarito – 1 submission received

Recommendation: That Council note its intention to review levels of service in all towns.

- t) Request for technical changes to Maori placenames and use of Te Reo Maori – 1 submission received

Recommendation: Council request the Planning and Development Committee work with Runanga o Makaawhio and Te Runanga Ngati Waewae on any technical changes.

- u) Request for changes to the Rates Remission and Postponement of Rates on Maori Freehold Land Policies, and Maori contribution to Decision Making Policy – 1 submission received.

Recommendation: Council request the Audit and Finance Committee to work with Runanga o Makaawhio and Te Runanga Ngati Waewae on any technical changes.

C. STAFF RECOMMENDATIONS:

1. Participation by Westland in the proposed National Cycleway.

- a) In the Introduction from the Mayor and Chief Executive add in:

Westland is joining with Buller and Grey Districts to create a series of cycleways which will form part of the proposed national cycleway. The Westland Nature Trust will be re-established, with new objectives to assist in achieving this. This is an exciting opportunity to share in central government funding of \$50m to create the cycleways which will become important tourist attractions.

- b) In the transportation section “Where do we want to be?” on page 123 add in:

Have a nationally recognised cycleway which is safe and well used by both tourists and locals.

- c) In the transportation section “How are we going to get there?” on page 123 add in:

Council will work with Buller and Grey Districts to apply for funding to develop cycleways which will form part of a national cycleway.

- d) In the financial information on pages 123 and 127 add in capital expenditure of \$3.2 million, to be spread over 2009/10 to 20011/12 for the development of cycleways. Income for this activity to be Government subsidy \$3m; sale of land (road reserve) \$0.1m; and reserves contribution \$0.1m

2. Amendments due to omissions or typing errors:

Location	Action
New Zealand Historic Place Trust	Remove '(12 month appointment from 19 June 2008)'
Department of Conservation	Add 'West Coast Tai Poutini Conservation Board' to title and description
