Post / Collection
(Please circle one)

Note: You are not permitted to burn until you have received your fire permit.

Note: If standing Gorse or scrub is to be burned a burn plan has to be supplied with the application, before the permit can be signed.

Note: We are not able to issue Permits for south of the Mikonui River this is a Department of Conservation area.

Note: Westland District Council does not issue burn permits within the town boundary. Any burning of material within the Hokitika boundary must be in a drum or incinerator and neighbours/Westland District Council must be notified of burn. Failure to do this could result in action being taken.
