Dear Mr Piddington

**WEST COAST REGIONAL COUNCIL
RESOURCE CONSENT APPLICATION RC10001**

**WESTLAND DISTRICT COUNCIL
RESOURCE CONSENT APPLICATIONS RC100151 AND RC110075**

**APPLICATION FOR PROPOSED CONSTRUCTION AND OPERATION OF ENHANCED HYDO
ELECTRIC POWER SCHEMES, MCKAYS CREEK AND KANIERE FORKS – FURTHER
INFORMATION REQUIRED**

Assessment of your application for the construction/enhancement and operation of the McKays Creek and Kaniere Forks hydro schemes and review of the submissions received has identified the need for the West Coast Regional Council and Westland District Council to ask for additional information relating to the application.

Pursuant to section 92(1) of the Resource Management Act 1991, the Councils request further information. The additional information is required for the Councils to determine the extent of the proposal and the effect(s) that the activity will have on the immediate and surrounding environment and the ways in which the adverse effects may be mitigated.

The further information required is:

- as per the attached table

What you have to do now:

In accordance with section 92A(1) you must, within 15 working days of the date of this request, take one of the following options:

- a) Provide the information; or
- b) Tell the Council, in writing, that you will provide the information; or
- c) Tell the Council, in writing, that you refuse to provide the information.

If you do not take one of these options within 15 days the Councils may decline your application.

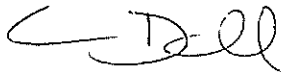

You can also object to this request for further information by writing to Council, setting out the reasons for the objection, within 15 working days of receiving this request.

We look forward to your response, and the opportunity to discuss this information request.

Rachel Clark is processing this section 92 request on behalf of the Regional Council. If you have any queries please contact Rachel at the Council on (03) 768 0466 ext. 268.

Martin Kennedy is processing this application on behalf of the District Council. If you have any queries please contact Martin on (03) 7626554.
