Payment plan calculator

Working out a plan spreads the costs over the year and, if adhered to, avoids penalty costs. Dog registration price can change annually so this is a good way to calculate a plan that suits you. Be sure to consider the number of dogs you have.

Amount for payments.

Things to consider with your payments

- Try not to miss a payment.
- Do you need to change the amount you are paying?
- Do you have an end date to stop payments?
- Have you taken on extra dogs?

Is your owner file up to date?

- Have you moved?
- Have your circumstances changed, and you do not have a dog in your care anymore?
