2. COMPANY MISSION STATEMENT

To maximise opportunities for the development of commercial and tourism based aviation in Westland and the promotion of Westland as a destination.

Hokitika Airport Limited supports the Westland District Council's "Vision of Westland" that it will, by 2030, be a world class tourist destination and have industries and businesses leading through innovation and service. This will be achieved by:

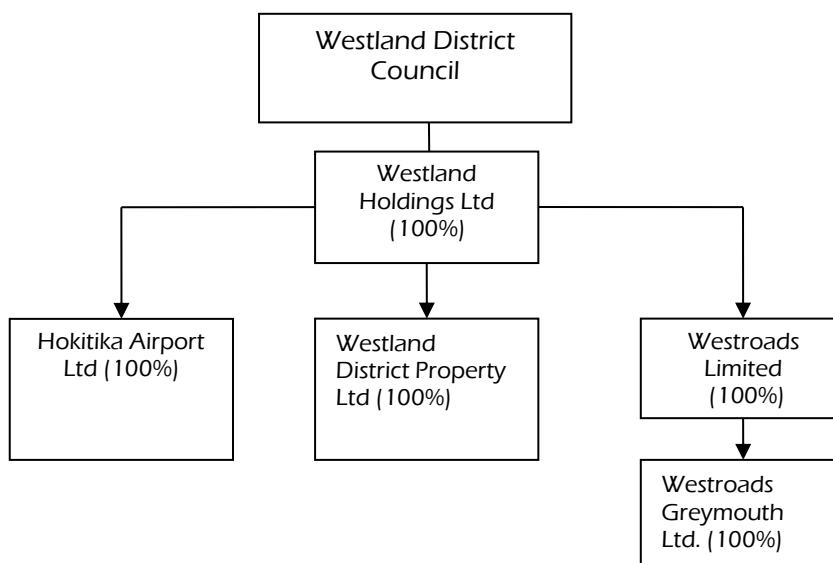

- Involving the community and stakeholders
- Having inspirational leadership
- Having expanded development opportunities
- Having top class infrastructure for all communities
- Living the '100% Pure New Zealand' brand

3. THE OBJECTIVES OF THE COMPANY

- 3.1 The Directors will maintain and improve airport services to a high standard and enhance airport facilities whilst continuing to operate the Company as a commercially successful business. To achieve this, the company intends to:-
- (a) Maintain the value of the shareholders' investment.
 - (b) Provide quality, efficient and cost-effective services on a commercially competitive basis.
 - (c) Ensure that pricing strategies are market sensitive and on a commercial basis.
 - (d) Strive to minimise operating costs.
 - (e) Maintain a high level of safety and security in its operations.
 - (f) Manage its financial assets and liabilities on a prudent basis.
 - (g) Act with social responsibility.
 - (h) Be a good employer.
 - (i) Grow and diversify revenue streams from business development.
 - (j) Operate the Hokitika Airport and Franz Josef Heliport sustainably.
 - (k) Continue to protect Hokitika Airport and Franz Josef Heliport for growth of business.

4 NATURE AND SCOPE OF ACTIVITIES

The group structure is:

4.1 The primary nature and scope of activities for the Company is to operate, manage and develop facilities in Westland. These activities include:

- (a) The provision, maintenance, upgrading and extension of services and facilities for the landing and take-off of aircraft and the training of pilots, having regard to statutory and regulatory requirements of the Civil Aviation Authority of New Zealand.
- (b) The provision and maintenance of facilities for the Airport Company and general businesses located at airports and helipads.
- (c) The management of airport land holdings.
- (d) The provision and leasing of secure storage facilities at Hokitika Airport

4.2 To continue the development of the Glacier Country Aerodrome Reserve to provide a safe helipad facility and explore opportunities for further enhancements to the area.

4.3 To offer services to other local airports, airfields and seaports.

4.4 The development and management of facilities that will support Westland District Council's vision for Westland, with the promotion of Westland as a destination.

4.5 To become involved in strategic projects which will benefit the District, as opportunities arise.

5. GOVERNANCE

The Company is governed by a board of up to three directors chaired by Linda Robinson. The director's role includes:

- Strategic Governance
- Financial Management
- Contractor Performance Review

Directors retire at the Annual General Meeting and can make themselves available for re-appointment, generally on a three year term.

The directors are:

Les Singer	2016
Linda Robinson	2017
Marcel Fekkes	2017

Board evaluation will be conducted annually and facilitated by the Chair. Directors will consider training requirements annually to ensure that professional standards are adhered to.

6. PERFORMANCE TARGETS

The Company will report to shareholders on the following performance indicators:

- a) The ratio of net profit before taxation and revaluations (before extraordinary items) to average shareholder funds within a range of 0.5% to 5%.
- b) The ratio of net profit before taxation and revaluations to average total assets (including any revaluation) within the range of 0.5% to 5%.
- c) Compliance with statutory and regulatory requirements enabling Hokitika Airport Limited, Westland Holdings Limited and Westland District Council to comply with the Local Government Act 2002.
- d) HAL will endeavour to achieve the highest storage occupancy as possible

7. SHAREHOLDERS FUNDS TO TOTAL ASSETS

The ratio of shareholder funds to total assets shall be greater than 70%.

Shareholder funds are defined as the paid up capital, plus any tax paid profits earned and less any dividends distributed to shareholders. They include undistributed profits which have been accumulated in accounts known as either Revenue or Capital Reserves.

Total assets are defined as the sum of all current assets, fixed assets, intangible assets and investments of the Company.

8. DISTRIBUTION POLICY

The degree of profit retention/distribution will be agreed annually with Westland Holdings Limited, and included in the annual Statement of Intent.

The amount of any distribution takes into account Hokitika Airport Limited's ability to fund agreed future capital expenditure requirements, to maintain and expand its operations, or to address matters related to the debt structure of the Company.

Total liabilities do not exceed 30% of the total assets without the approval of Westland Holdings Limited.

9. CAPITAL EXPENDITURE

Capital expenditure will maintain, enhance and develop facilities controlled by Hokitika Airport Limited in accordance with the objectives of the company.

The approval of Westland Holdings Limited must be obtained for any significant purchases or developments in excess of \$500,000 for any one project including the

funding mechanism for the purchase or development. This figure to be calculated based on the complete cost of a particular project even if the expenditure is spread over more than one year and comprises multiple transactions.

10. ACQUISITION OF OTHER INTERESTS

The company will not subscribe for, purchase, or otherwise acquire shares in any company or other organisation without first being authorised to do so by special resolution of Westland Holdings Ltd and Westland District Council.

11. COMMERCIAL VALUE OF SHAREHOLDERS INVESTMENT

The Directors estimate that the commercial value of the shareholders' investment in Hokitika Airport Ltd will be represented by the opening balance of shareholders' funds. The Directors will advise the shareholders on an annual basis if they believe the value to differ materially from this amount.

The value of the investment will be reassessed every three years by evaluating movement in asset values, in particular changes in land and improvements as recorded on the tri-annual government valuations.

12. RISK MANAGEMENT

The company shall develop a risk assessment methodology and document a risk management analysis together with strategies for mitigation of these risks.

13. REPORTING TO SHAREHOLDERS

The following information will be available to shareholders based on an annual balance date of 30 June.
