Consent to share your information

As part of the Dog Control Act 1996 the Council must assist with the return of a dog to its owner. To facilitate this, the Council has partnered with Doggone to provide a secure and quick texting reunite service.

If you provide consent to your chosen cell phone number and some basic identifying information about your dog (dog's name, breed and colouring) will be shared with Doggone to facilitate a quick reunite of your dog if it is lost.

By providing consent, Doggone will display your nominated phone number to anyone who finds your lost dog, through the text reunite service (4133). No other identifying information will be provided to the finder of your lost dog. This will enable direct communication between the finder and you as the dog's owner (or another designated carer of your dog), to enable quick and seamless reuniting process. Council will be advised of all reunites and will become involved with dogs returned on more than one occasion.

With granting of consent, a Doggone account will be created for you using your email address.

If you do not give consent, the Council's phone number will be displayed to the finder. The Council will take the necessary steps to collect and return your dog, which may incur a fee.

Note: All dog owners with dogs ordinarily kept in the Westland District Council area must register their dogs with the Westland District Council. All dogs over the age of 3 months must be registered. If your dog turns 3 months old or arrives in New Zealand after 1 July, you pay a portion of the annual registration fee. Please call Council or go to www.westlanddc.govt.nz for more information. With the exception of Working Dogs kept solely or principally for the purpose of herding or driving stock, all dogs being registered in New Zealand for the first time, must be microchipped.

Failure to pay registration fees could lead to debt collection with collection fees being the responsibility of the dog owner.

Every person commits an offence and is liable on conviction to a fine not exceeding \$3,000 who, in making an application for the registration of a dog, makes any written statement knowing that statement to be false.
