### Important information

**Failure to supply information** requested in this form may prevent the registration of your dog. Please amend any **incorrect details**.

You must notify Westland District Council of any **change of address** or **change in ownership** of the dog within 14 days of the change.

Your **date of birth** is required by the Dog Control Act 1996; it enables us to distinguish you from other persons with the same name.

For the purposes of the Dog Control Act 1996 (the Act), you are the **owner of a dog** if (a) you own the dog; or (b) you have the dog in your possession (unless you have the dog for less than 72 hours to prevent the dog causing injury, damage or distress or to return a lost dog to its owner); or (c) you are the parent or guardian of a person under 16 years

who is the owner of the dog and who is a member of your household living with and dependent on you. A person aged under 16 years cannot be the registered owner of a dog.

### Privacy information

The information you supply to Westland District Council will be held and used only for purposes of the Dog Control Act 1996. Section 35 of the Act allows any person to apply in writing for the name and address of the owner of any specified dog. Council is required to provide that information where it is satisfied of that person's identity and that the information is required for one of a limited number of purposes specified in section 35(5), such as returning a lost dog to its owner or seeking compensation for damage.

Types of **registration class** are G = Disability Assist Dog; P = Pet; W = Working Dog; Q = Menacing Dog; D = Dangerous Dog. Only farm dogs used for herding or driving stock are eligible to be classed as a **working dog and are exempt from the need to be microchipped**.

### Control of dogs

#### Sections 52, 53 and 54A, Dog Control Act 1996

The owner of a dog must keep the dog under control at all times and, when in a public place, must use or carry a leash at all times.

A dog will be treated as not being under control:

- if it is found to be at large on any land or premises other than a public place or a private way without the consent (express or implied) of the occupier or person in charge of the land or premises; or
- if it is found at large in any public place or in any private way in contravention of any regulations or bylaws.

You will commit an offence and be liable on conviction to a fine not exceeding \$3,000 or an infringement fee of \$300 if you fail to comply with this provision.

### Obligations of dog owner generally

#### Section 54, Dog Control Act 1996

The owner of a dog must:

- ensure that the dog receives proper care and attention and is supplied with proper and sufficient food, water, and shelter; and
- ensure that the dog receives adequate exercise. You will commit an offence and be liable on conviction to imprisonment for up to 3 months or to a fine not exceeding \$5,000 if you fail to comply with this provision.

### Obligations of dog owner on owner's property

#### Section 52A, Dog Control Act 1996

The owner of a dog must ensure, when the dog is on land or premises occupied by the owner:

- that the dog is under the direct control of a person; or
- that the dog is confined within the land or premises in such a way that it cannot freely leave the land or premises.

You will commit an offence and be liable on conviction to a fine of \$3,000 if you fail to comply with this provision. In addition, a dog officer or dog ranger may seize and impound the dog.

**Please note: the above requirements relate to the Dog Control Act 1996.**

**The Westland District Council Dog Control Policy and Bylaw identifies various specific areas in our district which are set aside as Dog Exercise Areas or Leash Control Areas or Dog Prohibited Areas.**

**Please refer to the Bylaw so you are aware of those requirements.**
