

IN THE MATTER of the Sale and Supply of Alcohol
Act 2012

AND

IN THE MATTER of an application for a manager's
certificate pursuant to s. 219 by
Allanah-may Kain Simpson.

**DECISION OF THE WESTLAND DISTRICT LICENSING COMMITTEE ON AN
UNCONTESTED APPLICATION**

Authority:

Pursuant to section 191(2) of the Sale and Supply of Alcohol Act 2012 and a Council resolution dated 28 November 2013, the functions, powers and duties of the Westland District Licensing Committee are delegated to the committee chairperson where no objection has been filed, and no matters of opposition have been raised by the Police, the Medical Officer of Health or an Inspector. There is no Local Alcohol Policy in place for the District.

Summary of Evidence

The complete file has been made available to me.

A report from the Inspector concludes that the applicant is suitable to hold a manager's certificate.

A report from the Police has no objection to the application.

Evaluation of Evidence

I have considered the application on the basis of the uncontested reports received. The matter can, therefore, be dealt with on the papers.

The applicant's application is accompanied by three references that speak well of the applicant as a manager and as an individual. I am not left in any doubt as to the abilities and suitability of Allanah-may Kain Simpson and I am certain that she will play a vital role in the hospitality industry in Westland.

I am satisfied that the applicant is suitable, she does not have any convictions recorded against her, she has significant experience within the industry and she holds a recognised qualification.

Decision and Reasons

I am satisfied as to those matters provided for in s.222 of the Act.

The application is granted on the papers pursuant to s.202 (1) of the Act as Decision Number 099-2020 and I direct that a certificate be issued to Allanah-may Kain Simpson pursuant to s.64 of the Act for a period of 12 months.

Dated at Hokitika this 2nd day of September, 2020

Chairman, Westland District Licensing Committee
