

IN THE MATTER of the Sale and Supply of Alcohol Act
2012

AND

IN THE MATTER of an application for an on-licence
pursuant to s. 99 in respect of premises
situated at 37 Main Road,
Statehighway 6, Fox Glacier and known
as Café Neve by Vosgo Hospitality
Limited.

DECISION OF THE WESTLAND DISTRICT LICENSING COMMITTEE ON AN UNCONTESTED APPLICATION

Authority:

Pursuant to section 191(2) of the Sale and Supply of Alcohol Act 2012 and a Council resolution dated 28 November 2013, the functions, powers and duties of the Westland District Licensing Committee are delegated to the committee chairperson where no objection has been filed, and no matters of opposition have been raised by the Police, the Medical Officer of Health or an Inspector. There is no Local Alcohol Policy in place for the District.

Summary of Evidence

The Café Neve has been part of the Fox Glacier hospitality scene for several years. The premises is principally a restaurant and has been the subject of previous licences. A change in the premises ownership and the lapse of an existing licence under the watch of a previous licensee has resulted in this new application being made for an existing premises.

The Inspector has reported and has concluded that the applicant is suitable to hold a licence, that the hours proposed (Monday to Sunday from 11.00AM until Midnight) are satisfactory and that the nature of the premises is satisfactory.

The Police have no objection to the grant of this new on-licence.

The Medical Officer of Health has no opposition to the application.

Evaluation of Evidence and Reasons

I have considered the application on the basis of the uncontested reports received and I have noted that there have also been no public objections. The matter can, therefore, be dealt with on the papers.

The applicant is a registered Company with at least one of the Directors having had extensive experience in the hospitality industry at the Café Neve.

The application is made with conviction and the application is supported by the Inspector. I am satisfied as to the suitability of the applicant.

The application is accompanied by a Host Responsibility Policy which is relevant to the undertaking and tells me that the applicant is attempting to take the responsibilities of a licence holder seriously. My expectation is that the Policy will remain in place for the duration of the licence and that it will have been amended as circumstances change when it comes to any renewal. I note that the Inspector refers to the document as a limited host responsibility policy.

I have not identified any compelling need for designations, and I am satisfied that there are no issues peculiar to this premises that will impinge on amenity and good order generally.

I am satisfied as to those matters provided for in s.105 of the Act.

Decision

The application is granted on the papers pursuant to s.202 (1) of the Act as Decision Number **200-2019** and I direct that a licence be issued pursuant to s.64 of the Act.
