The criteria for Selected Dog Ownership:

	The dog was registered by 31 July in the year when the application for
	Selected Dog Owner status was made and was also registered by 31 July in
	the previous dog registration year.
	The property where the dog resides is fully fenced or the dog is kept within a
	securely fenced portion of the property. In areas zoned rural a securely
	fenced portion of the property or a kennel and enclosed run is considered
	acceptable fencing.
	No justified complaints registered against the dog in the last two years.
	The dog is microchipped.
	The dog has not been impounded in the last two years.
	The dog owner has not received an infringement notice in the last two years.
Work	ing dog is defined by one of the following:

A selected dog owner or working dog application may be lodged at any time. If you are registering a dog for the first time, you will need to pay the full urban or rural registration rate. The difference between the full urban or rural registration rate and the selected dog owner or working dog registration rate is non-refundable. However if you are approved for the selected dog owner or working dog classification, it will be held as a credit on your dog owner account for the following registration year.
