## ADDITIONAL INFORMATION TO NOTE/SUPPLY

- 1. The Code Compliance Certificate will be based on the approved building consent documents, so any variations to the original approved plans are required to be documented and approved prior to the work being carried out.
- 2. A Code Compliance Certificate will not be issued until all of the information required on this form that is relevant to the job is provided to the Council. This includes all Names, Certificates from personnel who carried out the work, Registration Numbers, Producer Statements, or any other required documents.
- 3. Certificates that relate to energy work (Electrical and Gasfitters).
- 4. The specified systems listed on the attached form are to be contained in the compliance schedule for the building. In the opinion of the personnel who installed them, they are capable of performing to the performance standards set out in the building consent.
- 5. Memoranda (records of Building Work) from licensed building practitioner(s) stating what restricted building work they carried out or supervised.
- 6. Other documents from the personnel who carried out the work.
- 7. Evidence that specified systems are capable of performing to the performance standards set out on the building consent.
